« The value of CT in the pre- and post-operative assessment of
transcatheter aortic valve implantation (TAVI) »
Rodrigo SALGADO & Olivier GHEKIERE, Universitair Ziekenhuis,
Antwerp & Clinique Saint-Joseph, Liège

11h00 Coffee break

BRUSSELS

11h20

Scientific session – 2nd part

Moderators : Geert MALEUX & Jean-François De WISPELAERE

Honorary lecture:

« How to get the most out of visualizing airways and parenchymal disease with CT »

Philippe GRENIER, Chef de Service de Radiologie, Pitié-Salpêtrière, Paris

Bone and joints section :

« Surgical or CT guided biopsy in musculoskeletal focal lesions. Which technique to choose ? »

Jan GIELEN et al, Universitair Ziekenhuis, Antwerp

12h30

Walking dinner

13h30

Scientific session – 3rd part

Moderators : Geert MALEUX & Jean-François DE WISPELAERE

Breast Imaging section :

« Interventional approach in senology : from cytology to macrobiopsy »

Carine VAN DE MERCKT, Institut Bordet, Université Libre de Bruxelles

Abdominal section :

« Interventional Radiology for Abdominal Trauma : Updates »

Pierre GOFFETTE, Cliniques Universitaires St-Luc UCL, Bruxelles

CVIR section :

« Diagnosis and treatment of endoleaks after (T)EVAR »

Sam HEYE et al, Universitair Ziekenhuis, Leuven

15h00

Closing address from the President

15h15 – 17h00 : General states of Radiology in Belgium

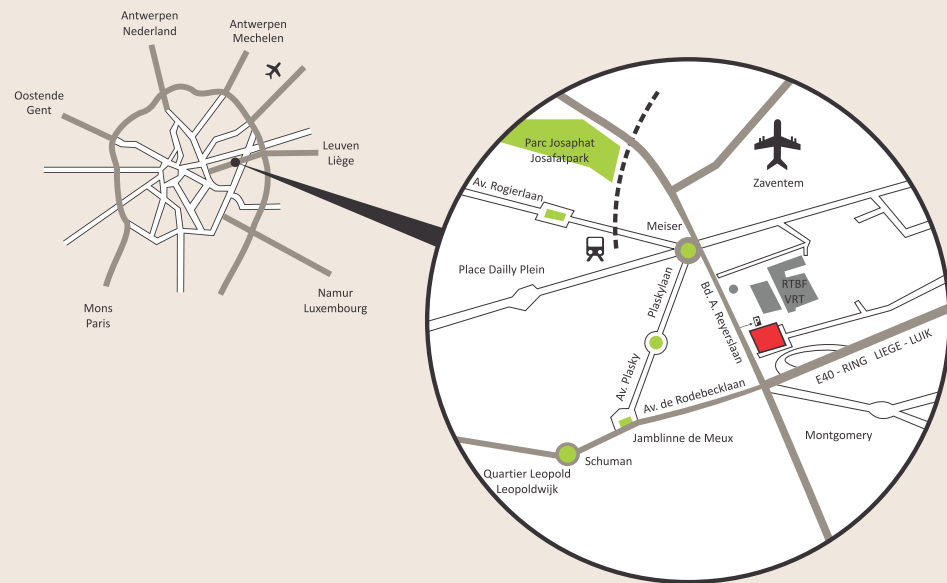

- Explanation of the new operation
- Installation of the new structure
(merging with NUR-UNR & Consilium Radiologicum)

General information

- **Meeting venue**

Diamant Brussels Conference & Business Center,
Bd. A. Reyerslaan, 80 - Bruxelles 1030 Brussel

- **Access**

- **Information :** Unité de Support Scientifique
E-mail : uss@uclouvain.be, Phone : + 32 81 42 30 21,
Fax : + 32 81 42 30 23

- **Registration fee** (including lunch) :
 - Members SRBR : 80 €
 - Non members : 100 €
 - Radiologists in training : 35 €

- **Deadline :** 18/01/2013

- **CME credits, including ethics & economy**
